SUBJECT.

Complaint regarding the acquisition of the lands belonging to the Imam Sha Makkan by the Mysore City Improvement Trust Board.

From

The Deputy Commissioner, Mysore District.

Letter No. 449, Dated 27th May 1905.

One Syed Mohomed Sajjad Ali Sha, under the title of Makkandar of the Imam Sha Makkan at Mysore, petitioned to this Office complaining of the inadequacy of the compensation offered by the Mysore City Improvement Trust Board for the lands of the Makkan taken up by them. The petition was referred to the Deputy Commissioner of the Mysore District and he was requested to favor this Office with a detailed report thereon.

The report called for is now received. With it, the Deputy Commissioner has forwarded a letter addressed to him ~~from~~ by the Chairman

MGCPB—500,—21-1-05

of the Trust Board together with a foreo-typed plan prepared by the said Chairman showing the position of the Makkan and the surrounding portions of the Mysore City.

From the Chairman's report, it is observed that the lands intended to be acquired by the Trust Board fall under 2 classes - the one comprising the lands already acquired by the Mysore Municipality from the Makkan, and the other including those which continue to belong to the Makkan. The Chairman says it is not definitely ascertainable what extent of land the Makkan and the Municipality has already acquired, but a sum of Rs 405/-, being the amount of compensation awarded therefor has been deposited in the Savings Bank in the name of Abdul Razak, Manager of the Makkan, but that the right of the present petitioner to claim the amount has yet to be proved.

As regards the lands to be acquired from the Makkan, the Chairman says that the original intention regarding the portion of the land to be acquired had to be slightly modified owing to

Muzrai Secretariat. File No. of 190

the large number of houses which would have ~~to be~~ otherwise to be demolished, and that the modified scheme provides for the ~~proposed~~ acquisition of 1592 sq. yds of vacant land, 5 anikanams of tiled houses, 2 of Verandah, 3½ of thatched house situated all round the Makkan for the formation of a road. and 40 yds of mud wall. Owing to the urgency of the case, these lands ~~we~~ were taken possession of by the Board with the consent of the petitioner and the other Makkandars interested in the institution, and ~~the~~ the pond at the north-eastern corner of the Makkan has been filled up and a compound wall raised all round the Makkan, the cost incurred on account of these which is estimated at nearly Rs 720/- being adjusted as agreed to by the petitioner from out of the compensation amount to be paid. The Chairman himself says that while 8as per yard is gladly accepted as compensation by the owners of dwelling houses acquired, he does not see why the same rate for the vacant land of the Makkan should be complained of as too low.

The Deputy Commissioner, in his report,

expresses as his opinion that if the party is not satisfied with the compensation offered by the Chairman under the circumstances set forth above, he may seek redress in a proper civil suit.

Enquiry was made of the Deputy Commissioner as directed above, and in reply, the latter Officer has forwarded copy of a memo submitted by the Deputy Commissioner on a previous occasion when the matter of the continuance of the allowances in question to the Makkan was under correspondence From that memo, it is understood that in consideration of 12,000 square yards of the Makkan land acquired by Govt for public purposes, His Highness the late Maharaja Sri Krishnaraja Wodeir Bahadur III and the Dewan Purnaiya were pleased to sanction to the Institution the grant of 60 seers of rice from each of the Gumbuz at Seringapatam and another 60 seers from the Jumma Masjid at Mysore, per mensem, 8 seers of cooked rice daily from the Palace and Rs 100/- in cash on the Birthdays in the Royal family, besides the privilege of collecting one Baddu (4 pies) from every shop in Mysore. Petition No 1587 dated 23rd March 1903, from one Syed Mahomed Sajjad Ali Sha, Manager, of Rahimansha Makkan, Lashkar Mohalla, Mysore city, praying that the allowances enjoyed by his uncle Abdul Razak from the funds of the Gumbaz at Seringapatam and the Jumma Masjid at Mysore, on behalf of the Makkan, may be continued to him.

And,

Letter No. 2 dated 10th July 1903 from the Deputy Commissioner, Mysore District, reporting on the above.

———•———

order thereon No. 475-6 Dated Banga-lore 19th August 1903 Encl. 1 file

———•———

From the vernacular papers and an English memo received with the Deputy Commissioner's letter read above, it is observed that the Rahiman Sha Makkan in the Lashkar Mohalla, Mysore city

city, was enjoying a rice allowance of 12 seers a month from the Jumma Masjid at Mysore and a cash grant of Rs 3/- a month from the funds of the Gumbaz Langar-khana at Seringapatam, for the lighting of Chirak (lamps) and Batti (scented sticks) in the Makkam. These allowances are reported to have been stopped in October 1901 on the death of the then Makkandar Abdul Razack, as the Government orders which fixed these allowances were not explicit as regards the continuance or otherwise of these payments after the life time of the deceased.

2 The petitioner Syed Mahomed Sajjad Ali Sha, who is reported to have succeeded to the Makkandar-ship on the death of his uncle Abdul Razack, prays that the allowances may be continued to him. In supporting the prayer of the petitioner, the Deputy Commissioner states that the Makkam in question is an ancient one being of much use to Fakeers and other poor people; that the petitioner who

who is the legal heir of the deceased, has been continuing the feeding of the poor and other charities in the Makkan and that the allowances enjoyed by the late Makkandar, viz Rs 3/- per mensem from the Gumbaz Langarkhana and 12 seers of rice a month from the Jumma Masjid at Mysore, were intended for the benefit of the Makkan and not for the personal benefit of the late Makkandar Abdul Razack. He therefore recommends the continuance of the allowances to the present Makkandar Syed Mahomed Sajjad Alisha.

3. From the sannads and other old papers received with the Deputy Commissioner's letter read above it is observed that this Makkan had been in receipt of a handsome allowance from the Gumbaz at Seringapatam, from the Jumma Masjid at Mysore and from the Palace; but that they were gradually reduced to the cash payment of Rs 3/- and the grant of 12 seers of rice, the former being made payable from the Gumbaz Langarkhana

and

and the latter from
- ma Masjid
4. In these circumstances the
Government are pleased to
sanction the Deputy Commissioner's
recommendation with
retrospective effect from the
date of the former Shahbandar
- dar's death.

memo.

In Leashkar mohalla, Mysore city, there is an ancient Makhan by name "Rahamansha" which has been of much use to Fakeers and other people. His Highness the late Maharaja Sri Krishnaraja Wadayar Bahadur and Dewan Purnaiya had been pleased to sanction 60 seers of rice from the Gumbaz at Seringapatam, 60 seers of rice from the gumma masjid per mensem as also 8 seers of cooked rice from the Palace daily and Rs 100/- in cash on the Birthdays in the Royal family, in consideration of the acquirement by Government of 12,000 Square yards of Makhan land for public purposes. His Highness had also granted the said Makhan the privilege of collecting one Dudolu (4 Pies) from every shop in Mysore, for its maintenance. During the time of the late Asthana Superintendent Major Montgomery this privilege was withdrawn and a grant of 60 seers of rice from gumma masjid per

this was further reduced to only 12 seers in 1874.

Recently the late Dewan Mr. C. Ranga charlu gave orders for discontinuing the allowance from the Gumbaz and promised to reconsider the question. Subsequently the late Dewan Sir K. Seshadri Iyer was pleased to sanction the grant of 30 seers of rice (which was subsequently changed to a cash payment of Rs 3/- per month).

Thus the allowance of 12 seers of rice from the Jumma Masjid in Mysore and Rs 3/- from the Gumbaz Funds continued to the end of July 1901 and stopped on the death of petitioner's uncle, Abdul Razak. The Government orders which fixed the final rates of payment are not explicit as regards the continuance or otherwise of these payments after the life time of the deceased.

The Amildar of Mysore Taluk testifies to the fact that the petitioner is the legal heir of the deceased and that he has been continuing the feeding of the poor

poor people and such other charities. Therefore I am of opini-on that the petitioner's prayer for the continuance of the allowances deserve the favor-able consideration of Govern-ment.

మేము కొంతమంది కార్యకర్తలు మీ ఆఫీసు లో ఉన్నాము.

మేము మీ అందరికీ కొన్ని విషయాలు మనవి చేయడానికి వచ్చాము. ఈ రోజు మీరు మా కాలేజీకి వచ్చి మా విద్యార్థులకు ఇంటర్వ్యూ చేయాలి అని మేము కోరుతున్నాము —

ఈ మధ్య మన రాష్ట్రంలో ఇంజనీరింగ్ కాలేజీలు ఎక్కువ అయిపోయాయి. ఇంజనీరింగ్ కాలేజీలు ఎక్కువ అవ్వడం వల్ల ఇంజనీరింగ్ విద్యార్థులకు ఉద్యోగాలు రావడం లేదు.

మేము కొంతమంది విద్యార్థులం మీ దగ్గరకు వచ్చి మా కాలేజీలో ఇంటర్వ్యూలు చేయమని అడిగితే మీరు మా కాలేజీలో ఇంటర్వ్యూలు చేయడానికి ఒప్పుకోవడం లేదు. మీరు ఒప్పుకోకపోవడానికి కారణం ఏమిటంటే మా కాలేజీలో 334-9-5 కళాశాల లో మీరు ఇంటర్వ్యూలు చేసినప్పుడు మా విద్యార్థులు ఎక్కువ మంది ఉద్యోగాలు పొందారు. ఆ విధంగా మీరు ఇంటర్వ్యూలు చేసినప్పుడు ఎక్కువ మంది విద్యార్థులు ఉద్యోగాలు పొందితే, మీ దగ్గరకు ఎక్కువ మంది విద్యార్థులు వస్తారు. అందువల్ల మీరు మా కాలేజీలో ఇంటర్వ్యూలు చేయడానికి ఒప్పుకోవడం లేదు. కాబట్టి మీరు మా కాలేజీలో ఇంటర్వ్యూలు చేయడానికి ఒప్పుకోవాలి అని మేము కోరుతున్నాము.
